## HOW OUR PLAYGROUP RUNS

Each week there is a planned activity, which you and your child/children can do and take home. There is also a variety of activities set up indoors and outdoors for you and your child/children to use.

From: 10.30 to 10.50am in the Community Library. It is a great way to introduce your littlies to the Library, books and reading. We share a story, do lots of action rhymes, sing songs and generally have fun.

We have a shared fruit time, so parents are encouraged to bring something for their child/children to share.

Tea/coffee is available for adults and children can have water or you can supply your own drink.

Everyone is asked to help clean up after each session.

It is Cambrai Area School policy for children to wear a hat outdoors so Playgroup children must do so as well.

Cambrai Playgroup has a unique advantage over most other Playgroups, in that as it is held in the Preschool room of Cambrai Area School and it makes the transition to Preschool and then to school easier.

By the time they move on to school, children are used to a school environment that started right from an early age.

During 2016 we are excited to announce the Preschool area is being upgraded in line with National Quality Standards.
